

## Statement for families in relation to the Covid-19 pandemic

---

### I hereby state under my sole responsibility that:

- I am aware of the current pandemic brought about by Covid-19 and I accept the circumstances and risks which this situation may entail during the course of the free-time education activity in which [son or daughter's full name] ..... takes part. I also understand that the leadership team and the organiser of the activity are not liable for any pandemic-related contingencies which may occur during the activity.
- I have been told about and agree with the general prevention measures and the actions which will be taken if a child is found to have symptoms compatible with Covid-19 during the course of the activity.
- I will provide the number of facemasks required by [son or daughter's full name]..... during the time the activity lasts.
- I will tell the organiser about any change in the state of health of [son or daughter's full name] ..... compatible with Covid-19 symptoms during the activity and also about any cases of Covid-19 which emerge in their surroundings.

Lastly, [son or daughter's full name] .....meets the following health requirements before starting the activity:

- He/she does not have any illnesses or symptoms compatible with Covid-19 (fever, cough, shortness of breath, malaise, diarrhoea, etc.) or any other infectious condition.
- He/she has not lived with or had close contact with a confirmed Covid-19 positive person or with a person who has had compatible symptoms in the 10 days prior to the activity.
- He/she has not had a positive result for Covid-19 in a diagnostic test even if he/she does not have any symptoms.

Check only in the case of a child with a complex chronic disease considered to be a risk factor for Covid-19:

- The medical services have made an individual assessment of the child and confirm he/she may take part in the activity.
